

**ORDER OF THE HEALTH OFFICER  
OF THE COUNTY OF CONTRA COSTA DIRECTING  
ALL INDIVIDUALS IN THE COUNTY TO CONTINUE TO COMPLY WITH SOCIAL  
DISTANCING REQUIREMENTS, TRAVEL RESTRICTIONS AND OTHER  
MEASURES NECESSARY TO SLOW THE SPREAD OF NOVEL CORONAVIRUS  
DISEASE 2019**

**Order No. HO-COVID19-18**

**DATE OF ORDER: JUNE 16, 2020**

**Please read this Order carefully. Violation of or failure to comply with this Order is a misdemeanor punishable by fine, imprisonment, or both. (California Health and Safety Code § 120295.)**

**Summary of the Order**

This Order of the County of Contra Costa Health Officer eases certain restrictions set forth in the Health Officer's June 5, 2020, Shelter in Place Order ("Prior Order"). In light of further progress to slow the spread of Novel Coronavirus Disease 2019 ("COVID-19") within the County of Contra Costa and neighboring jurisdictions, and in conformance with State guidelines, as of the effective date set forth in Section 18, this Order:

- Allows recreational vehicle parks, outdoor recreation facilities, hair salons and barbershops to operate; and
- Modifies restrictions on outdoor recreation activities, childcare facilities, providers of religious services and cultural ceremonies, outdoor dining, campgrounds and outdoor pools.

**UNDER THE AUTHORITY OF CALIFORNIA HEALTH AND SAFETY CODE SECTIONS 101040 AND 120175, THE HEALTH OFFICER OF THE COUNTY OF CONTRA COSTA ("HEALTH OFFICER") ORDERS:**

1. This Order supersedes the Prior Order. This Order amends, clarifies, and continues certain terms of the Prior Order to ensure continued social distancing and limit person-to-person contact to reduce the rate of transmission of COVID-19. This Order continues to restrict activities, travel, governmental and business functions. But in light of progress

achieved in slowing the spread of COVID-19 in the County of Contra Costa (the “County”), and in accordance with a variance obtained by the County from the State of California on June 9, 2020, which allows the County to move more quickly, or in a different order, through Stage 2 of the State of California’s COVID-19 roadmap to recovery, this Order eases restrictions to allow additional businesses to resume or begin operating, subject to conditions set forth in applicable industry guidelines issued by the State. This Order also modifies restrictions that applied to outdoor recreation activities, childcare facilities, outdoor dining, campgrounds and outdoor pools. The gradual and measured easing of restrictions is designed to manage the overall volume, duration, and intensity of person-to-person contact to prevent a surge in COVID-19 cases in the County and neighboring counties. As further provided in Section 11 below, the Health Officer will continue to monitor the risks of the activities and businesses allowed under this Order based on the COVID-19 Indicators (as defined in Section 11) and other data, and may, as conditions support doing so, ease more restrictions and add to the list of Additional Businesses and Additional Activities. The activities allowed by this Order will be assessed on an ongoing basis and these activities and others allowed by the Order may need to be modified (including, without limitation, temporarily restricted or prohibited) if the risk associated with COVID-19 increases in the future. As of the effective date and time of this Order set forth in Section 18 below, all individuals, businesses, and government agencies in the County are required to follow the provisions of this Order.

2. The primary intent of this Order is to slow the spread of COVID-19 in the County and mitigate the impact on delivery of critical healthcare services. All provisions of this Order must be interpreted to effectuate this intent. Failure to comply with any of the provisions of this Order constitutes an imminent threat and menace to public health, constitutes a public nuisance, and is punishable by fine, imprisonment, or both.
3. Individuals living within the County may leave their residences only for the purposes specified in Section 15 of this Order. Individuals in the County who do not reside in the County must comply with all applicable requirements of this Order. Individuals experiencing homelessness are exempt from this Section, but are strongly urged to obtain shelter, and governmental and other entities are strongly urged, as soon as possible, to make such shelter available and provide handwashing or hand sanitation facilities to persons who continue experiencing homelessness.
4. When people leave their place of residence for the limited purposes allowed in this Order, they must strictly comply with Social Distancing Requirements as defined in Section 15.k, except as expressly provided in this Order, and must wear face coverings as provided in, and subject to the limited exceptions in, Health Officer Order No. HO-COVID19-08 (the “Face Covering Order”).
5. Gatherings.
  - a. Health Officer Order No. HO-COVID19-01, which prohibited mass gatherings of 100 or more persons, is rescinded. Except as set forth elsewhere in this Order, all

public and private gatherings of individuals who are not members of the same household or living unit are prohibited. Nothing in this Order prohibits members of a single household or living unit from engaging together in the activities authorized by this Order.

- b. Public and private gatherings of persons in a “Social Bubble,” as defined below, may take place if the gathering takes place outside and participants comply with all other requirements of this Order. Persons in Social Bubbles are not required to strictly adhere to Social Distancing Requirements while participating in gatherings authorized under this section; however, participants over 12 years of age are strongly encouraged to maintain six-foot social distancing from each other and wear face coverings. The following definitions apply to this subsection:
  - i. “Social Bubble” means a Stable Group of 12 that forms either a Household Support Unit, a Childcare Unit, or a Children’s Extracurricular Activity Unit, for the purpose of engaging in activities allowed under this Order.
  - ii. “Stable Group of 12” means a group of not more than 12 individuals over a three-week time period that is a Household Support Unit, a Childcare Unit, or a Children’s Extracurricular Activity Unit.
  - iii. “Household Support Unit” means a Stable Group of 12 that is formed for the purpose of engaging in the sort of support and activities that are typical of members of the same household (e.g., childcare, family recreation, etc.), regardless of whether they physically occupy the same dwelling. Each person may be part of only one Household Support Unit, and every resident of a single dwelling unit must be part of the same Household Support Unit, except that a child who resides in more than one dwelling unit as part of a court-ordered shared custody arrangement may be part of the Household Support Unit of each of the child’s custodians.
  - iv. “Childcare Unit” means a Stable Group of 12 (typically 10 children and 1-2 adults) that is formed for the purposes of the Essential Business of childcare under Section 15.f.xxvi. of the Order. Each person (adult or child) may be a part of only a single Childcare Unit, but children in the same household may be part of separate, age-appropriate Childcare Units.
  - v. “Children’s Extracurricular Activity Unit” means a Stable Group of 12 (typically 10 children and 1-2 adults) that is formed for the purpose of organized recreation under 15.a.iii. Each person (adult or child) may be part of only one Children’s Extracurricular Activity Unit, but children in the same household may be part of separate, age-appropriate Extracurricular Activity Units.

6. Businesses with a facility in the County may operate if they are Essential Businesses as defined in Section 15.f, Outdoor Businesses as defined in Section 15.l, or Additional Businesses as defined in Section 15.n. Outdoor Businesses must conduct all business and transactions involving members of the public outdoors. Businesses that are not Essential Businesses, Outdoor Businesses or Additional Businesses may not operate, except as follows:
  - a. All businesses may conduct Minimum Basic Operations, as described in Section 15.g of this Order.
  - b. All businesses may continue operations consisting exclusively of owners, personnel, volunteers, or contractors performing activities at their own residences (i.e., working from home).

All Essential Businesses are strongly encouraged to remain open. Telework is strongly encouraged at all businesses.

7. As a condition of continued or resumed operations, business operators must prepare or update, post, implement, and distribute to their personnel a Social Distancing Protocol for each of their facilities in the County frequented by personnel or members of the public, as specified in Section 15.h. In addition to the Social Distancing Protocol, all businesses allowed to operate under this Order must follow applicable industry-specific guidance issued by the State of California related to COVID-19, set forth at <https://covid19.ca.gov/industry-guidance/>, and any conditions on operation specified in this Order, including, with regard to Additional Businesses, those specified in Appendix C-1. Except as allowed in Appendix C-1, businesses that include an Essential Business or Outdoor Business component at their facilities alongside other components must, to the extent feasible, scale down their operations to the Essential Business and Outdoor Business components only; provided, however, mixed retail businesses that are otherwise allowed to operate under this Order may continue to stock and sell non-essential products.
8. All travel, except Essential Travel, as defined below in Section 15.i, is prohibited. People may use public transit only for purposes of performing activities permitted under this Order. Transit agencies and people riding on public transit must comply with Social Distancing Requirements, as defined in Section 15.k, to the greatest extent feasible, and personnel and passengers must wear Face Coverings as required by the Face Covering Order. Any travel into or out of the County not expressly permitted by this Order is prohibited.
9. This Order is issued based on evidence of continued significant community transmission of COVID-19 within the County; continued uncertainty regarding the degree of undetected asymptomatic transmission; scientific evidence and best practices regarding the most effective approaches to slow the transmission of communicable diseases generally and COVID-19 specifically; evidence that the age, condition, and health of a significant portion of the population of the County places it at risk for serious health

complications, including death, from COVID-19; and further evidence that others, including younger and otherwise healthy people, are also at risk for serious outcomes. Due to the outbreak of the COVID-19 disease in the general public, which is a pandemic according to the World Health Organization, there is a public health emergency throughout the County. Making the problem worse, some individuals who contract the virus causing COVID-19 have no symptoms or have mild symptoms, which means they may not be aware they carry the virus and are transmitting it to others. Further, evidence shows that the virus can survive for hours to days on surfaces and be indirectly transmitted between individuals. Because even people without symptoms can transmit the infection, and because evidence shows the infection is easily spread, gatherings and other direct or indirect interpersonal interactions can result in preventable transmission of the virus.

10. Efforts taken to date regarding this public health emergency have slowed the virus' trajectory, but the emergency and the attendant risk to public health remain significant. As of June 15, 2020, a total of 1,983 confirmed cases of COVID-19 in the County have been reported (up from 34 on March 15, 2020, just before the first shelter-in-place order). The cumulative number of confirmed cases continues to increase, though the rate of increase has slowed in the weeks leading up to this Order. Evidence suggests that the restrictions on mobility and social distancing requirements imposed by the Prior Order (and the orders that preceded it) are slowing the rate of increase in community transmission and confirmed cases by limiting interactions among people, consistent with scientific evidence of the efficacy of similar measures in other parts of the country and world.
11. The Health Officer is monitoring several key indicators (“COVID-19 Indicators”), which are among the many factors informing decisions whether to modify restrictions imposed to slow the spread of COVID-19. Progress on all of these COVID-19 Indicators — specifically related to case numbers, hospital utilization and capacity, supply of personal protective equipment, and contact tracing — makes it appropriate, at this time, to allow more Additional Businesses to resume operations and ease some other restrictions. But the continued prevalence of the virus that causes COVID-19 requires many activities and business functions to remain restricted, and those activities that are allowed to occur must do so subject to social distancing and other infection control practices identified by the Health Officer. Evaluation of the COVID-19 Indicators will be critical to determinations by the local health officers regarding whether the restrictions imposed by this Order will be further modified to ease or tighten the restrictions imposed by this Order and augment, limit, or prohibit the Additional Businesses and Additional Activities allowed to resume. The Health Officer will continually review whether modifications to the Order are warranted based on (1) progress on the COVID-19 Indicators; (2) developments in epidemiological and diagnostic methods for tracing, diagnosing, treating, or testing for COVID-19; and (3) scientific understanding of the transmission dynamics and clinical impact of COVID-19. The COVID-19 Indicators include, but are not limited to, the following:

- a. The trend of the number of new COVID-19 cases and hospitalizations per day.
  - b. The capacity of hospitals and the health system in the County and region, including acute care beds and Intensive Care Unit beds, to provide care for COVID-19 patients and other patients, including during a surge in COVID-19 cases.
  - c. The supply of personal protective equipment (PPE) available for hospital staff and other healthcare providers and personnel who need PPE to safely respond to and treat COVID-19 patients.
  - d. The ability and capacity to quickly and accurately test persons to determine whether they are COVID-19 positive, especially those in vulnerable populations or high-risk settings or occupations.
  - e. The ability to conduct case investigation and contact tracing for the volume of cases and associated contacts that will continue to occur, isolating confirmed cases and quarantining persons who have had contact with confirmed cases.
12. Scientific evidence shows that at this stage of the emergency, it remains essential to continue to slow virus transmission to help (a) protect the most vulnerable; (b) prevent the health care system from being overwhelmed; (c) prevent long-term chronic health conditions, such as cardiovascular, kidney, and respiratory damage and loss of limbs from blood clotting; and (d) prevent deaths. This Order is necessary to slow the spread of COVID-19, preserving critical and limited healthcare capacity in the County and advancing toward a point in the public health emergency where transmission can be controlled. At the same time, since the Prior Order was issued, the County has continued to make progress in expanding health system capacity and healthcare resources and in slowing community transmission of COVID-19. In light of progress on these indicators, and subject to continued monitoring and potential public health-based responses, in addition to those already allowed to operate under the Prior Order as Essential Businesses, Outdoor Businesses and Additional Businesses, it is appropriate at this time to allow the operation of more Additional Businesses. These businesses are identified based on health-related considerations and transmission risk factors including, but not limited to, the intensity and quantity of contacts and the ability to substantially mitigate transmission risks associated with the operations, and guidance issued by the State of California.
13. This Order is issued in accordance with, and incorporates by reference, the March 4, 2020, Proclamation of a State of Emergency issued by Governor Gavin Newsom and the March 10, 2020, Proclamation by the Contra Costa County Board of Supervisors declaring the existence of a local emergency.

14. This Order is also issued in light of the March 19, 2020, Order of the State Public Health Officer (the “State Shelter Order”), which set baseline statewide restrictions on non-residential business activities, effective until further notice, and the Governor’s March 19, 2020, Executive Order N-33-20 directing California residents to follow the State Shelter Order. The May 4, 2020, Executive Order issued by Governor Newsom and May 7, 2020, Order of the State Public Health Officer permit certain businesses to reopen if a local health officer believes the conditions in that jurisdictions warrant it, but expressly acknowledge the authority of local health officers to establish and implement public health measures within their respective jurisdictions that are more restrictive than those implemented by the State Public Health Officer. This Order adopts in certain respects more stringent restrictions addressing the particular facts and circumstances in this County, which are necessary to control the public health emergency as it is evolving within the County and the Bay Area. Without this tailored set of restrictions that further reduces the number of interactions between persons, scientific evidence indicates that the public health crisis in the County will worsen to the point at which it may overtake available health care resources within the County and increase the death rate. Also, this Order enumerates additional restrictions on non-work-related travel not covered by the State Shelter Order; sets forth mandatory Social Distancing Requirements for all individuals in the County when engaged in activities outside their residences; and sets forth a mechanism to ensure that all businesses with facilities that are allowed to operate under the Order comply with the Social Distancing Requirements. Where this Order is more restrictive than a state public health order related to the COVID-19 pandemic, this Order controls. To the extent any federal guidelines allow activities that are not allowed by this Order, this Order controls and those activities are not allowed.

15. Requirements and Exemptions. Individuals may leave their residence to do the following:

- a. Individuals may leave their residence to perform the following “Essential Activities.” But people at high risk of severe illness from COVID-19 and people who are sick are strongly urged to stay in their residence to the extent possible, except as necessary to seek or provide medical care or Essential Governmental Functions. Essential Activities are:
  - i. To engage in activities or perform tasks important to their health and safety, or to the health and safety of their family or household members (including pets), such as, by way of example only and without limitation, obtaining medical supplies or medication, or visiting a health care professional.
  - ii. To obtain necessary services or supplies for themselves and their family or household members, or to deliver those services or supplies to others, such as, by way of example only and without limitation, canned food, dry goods, fresh fruits and vegetables, pet supply, fresh meats, fish, and poultry, and any other household consumer products, or products

necessary to maintain the habitability, sanitation, and operation of residences.

- iii. To engage in outdoor recreation activity, including, by way of example and without limitation, walking, hiking, bicycling, and running, in compliance with Social Distancing Requirements and subject to restrictions in applicable industry guidance issued by the State of California (<https://covid19.ca.gov/pdf/guidance-campgrounds.pdf>).
  - iv. To perform work for or access an Essential Business, Outdoor Business, or Additional Business; or to otherwise carry out activities specifically permitted in this Order, including Minimum Basic Operations, as defined in this Section.
  - v. To provide necessary care for a family member or pet in another household who has no other source of care.
  - vi. To attend a funeral.
  - vii. To move residences. When moving into or out of the Bay Area region, individuals are strongly urged to quarantine for 14 days. To quarantine, individuals should follow the guidance of the United States Centers for Disease Control and Prevention.
  - viii. To engage in Outdoor Activities or Additional Activities.
- b. Individuals may leave their residence to work for, volunteer at, or obtain services at “Healthcare Operations,” including, without limitation, hospitals, clinics, COVID-19 testing locations, dentists, pharmacies, blood banks and blood drives, pharmaceutical and biotechnology companies, other healthcare facilities, healthcare suppliers, home healthcare services providers, mental health providers, or any related and/or ancillary healthcare services. “Healthcare Operations” also include veterinary care and all healthcare services provided to animals. This exemption for Healthcare Operations shall be construed broadly to avoid any interference with the delivery of healthcare, broadly defined. “Healthcare Operations” excludes fitness and exercise gyms and similar facilities.
- c. Individuals may leave their residence to provide any services or perform any work necessary to the operation and maintenance of “Essential Infrastructure,” including airports, utilities (including water, sewer, gas, and electrical), oil refining, roads and highways, public transportation, solid waste facilities (including collection, removal, disposal, recycling, and processing facilities), cemeteries, mortuaries, crematoriums, and telecommunications systems (including the provision of essential global, national, and local infrastructure for internet, computing services, business infrastructure, communications, and web-based services).

- d. All first responders, emergency management personnel, emergency dispatchers, court personnel, and law enforcement personnel, and others who need to perform essential services are categorically exempt from this Order to the extent they are performing those essential services. Further, nothing in this Order shall prohibit any individual from performing or accessing “Essential Governmental Functions,” as determined by the governmental entity performing those functions. Each governmental entity shall identify and designate appropriate personnel, volunteers, or contractors to continue providing and carrying out any Essential Governmental Functions, including the hiring or retention of new personnel or contractors to perform such functions. Each governmental entity and its contractors must employ all necessary emergency protective measures to prevent, mitigate, respond to, and recover from the COVID-19 pandemic, and all Essential Governmental Functions shall be performed in compliance with Social Distancing Requirements to the greatest extent feasible.
- e. A “business” includes any for-profit, non-profit, or educational entity, whether a corporate entity, organization, partnership or sole proprietorship, and regardless of the nature of the service, the function it performs, or its corporate or entity structure.
- f. “Essential Businesses” are:
  - i. Healthcare Operations and businesses that operate, maintain, or repair Essential Infrastructure;

Grocery stores, certified farmers’ markets, farm and produce stands, supermarkets, food banks, convenience stores, and other establishments engaged in the retail sale of unprepared food, canned food, dry goods, non-alcoholic beverages, fresh fruits and vegetables, pet supply, fresh meats, fish, and poultry, as well as hygienic products and household consumer products necessary for personal hygiene or the habitability, sanitation, or operation of residences. The businesses included in this subparagraph (ii) include establishments that sell multiple categories of products provided that they sell a significant amount of essential products identified in this subparagraph, such as liquor stores that also sell a significant amount of food.
  - iii. Food cultivation, including farming, livestock, and fishing;
  - iv. Businesses that provide food, shelter, and social services, and other necessities of life for economically disadvantaged or otherwise needy individuals;
  - v. Construction, but only pursuant to the Construction Safety Protocols listed in Appendix B-1 or Appendix B-2, whichever is applicable. Public works

- vi. Newspapers, television, radio, and other media services;
- vii. Gas stations and auto-supply, auto-repair (including, but not limited to, for cars, trucks, motorcycles and motorized scooters), and automotive dealerships, but only for the purpose of providing auto-supply and auto-repair services. - x. Service providers that enable real estate transactions (including rentals, leases, and home sales), including, but not limited to, real estate agents, escrow agents, notaries, and title companies, provided that appointments and other residential real estate viewings must only occur virtually or, if a virtual viewing is not feasible, by appointment with no more than two visitors at a time residing within the same household or living unit and one individual showing the unit (except that in person visits are not allowed when the occupant is present in the residence);

- xv. Laundromats, drycleaners, and laundry service providers;
- xvi. Restaurants and other facilities that prepare and serve food, but only for delivery or carry out. Schools and other entities that typically provide free

food services to students or members of the public may continue to do so under this Order on the condition that the food is provided to students or members of the public on a pick-up and take-away basis only. Schools and other entities that provide food services under this exemption shall not permit the food to be eaten at the site where it is provided, or at any other gathering site;

- xvii. Funeral home providers, mortuaries, cemeteries, and crematoriums, to the extent necessary for the transport, preparation, or processing of bodies or remains;
- xviii. Businesses that supply other Essential Businesses, Outdoor Businesses or Additional Businesses with the support or supplies necessary to operate, but only to the extent that they support or supply these businesses. This exemption shall not be used as a basis for engaging in sales to the general public from retail storefronts;

child care programs and providers (<https://covid19.ca.gov/pdf/guidance-childcare.pdf>) and guidance for day camps (<https://covid19.ca.gov/pdf/guidance-daycamps.pdf>), to the extent applicable. It is recommended that children remain in groups as small as possible, preferably stable groups of 12 or less.

- g. “Minimum Basic Operations” means the following activities for businesses, provided that owners, personnel, and contractors comply with Social Distancing Requirements as defined this Section, to the extent possible, while carrying out such operations:
  - i. The minimum necessary activities to maintain and protect the value of the business’s inventory and facilities; ensure security, safety, and sanitation; process payroll and employee benefits; provide for the delivery of existing inventory directly to residences or businesses; and related functions. For clarity, this section does not permit businesses to provide curbside pickup to customers.
  - ii. The minimum necessary activities to facilitate owners, personnel, and contractors of the business being able to continue to work remotely from their residences, and to ensure that the business can deliver its service remotely.
- h. All businesses that are operating at facilities in the County visited or used by the public or personnel must, as a condition of such operation, prepare and post a “Social Distancing Protocol” for each of these facilities; provided, however, that construction activities shall instead comply with the Construction Project Safety Protocols set forth in Appendix B-1 or Appendix B-2, whichever is applicable, and not the Social Distancing Protocol. The Social Distancing Protocol must be substantially in the form attached to this Order as Appendix A, incorporated into this Order by reference, and it must be updated from prior versions to address new requirements listed in this Order or in related guidance or directives from the Health Officer. The Social Distancing Protocol must be posted at or near the entrance of the relevant facility, and shall be easily viewable by the public and personnel. A copy of the Social Distancing Protocol must also be provided to each person performing work at the facility. All businesses subject to this paragraph shall implement the Social Distancing Protocol and provide evidence of its implementation to any authority enforcing this Order upon demand. The Social Distancing Protocol must explain how the business is achieving the following, as applicable:
  - i. Limiting the number of people who can enter into the facility at any one time to ensure that people in the facility can easily maintain a minimum six-foot distance from one another at all times, except as required to complete Essential Business activity;

- ii. Requiring face coverings to be worn by all persons entering the facility, other than those exempted from face covering requirements (e.g. young children);
  - iii. Where lines may form at a facility, marking six-foot increments at a minimum, establishing where individuals should stand to maintain adequate social distancing;
  - iv. Providing hand sanitizer, soap and water, or effective disinfectant at or near the entrance of the facility and in other appropriate areas for use by the public and personnel, and in locations where there is high-frequency employee interaction with members of the public (e.g. cashiers);

  - vi. Regularly disinfecting other high-touch surfaces;
  - vii.   - viii. Any additional social distancing measures being implemented (see the Centers for Disease Control and Prevention's guidance at: <https://www.cdc.gov/coronavirus/2019-ncov/community/guidance-business-response.html>).
- i. Individuals may leave their residence to engage in "Essential Travel." Essential Travel means travel for any of the following purposes:

  - vi. Travel required for non-residents to return to their place of residence outside the County. Individuals are strongly encouraged to verify that their transportation out of the County remains available and functional prior to commencing such travel.
  - vii. Travel to manage after-death arrangements and burial.
  - viii. Travel to arrange for shelter or avoid homelessness.
  - ix. Travel to avoid domestic violence or child abuse.
  - x. Travel for parental custody arrangements.
  - xi. Travel to a place to temporarily reside in a residence or other facility to avoid potentially exposing others to COVID-19, such as a hotel or other facility provided by a governmental authority for such purposes.
- j. “Residences” include hotels, motels, shared rental units and similar facilities. Residences also include living structures and outdoor spaces associated with those living structures, such as patios, porches, backyards, and front yards that are only accessible to a single family or household unit.
- k. “Social Distancing Requirements” means:
- i. Maintaining at least six-foot social distancing from individuals who are not part of the same household, living unit or Social Bubble;
  - ii. Frequently washing hands with soap and water for at least 20 seconds, or using hand sanitizer that is recognized by the Centers for Disease Control and Prevention as effective in combatting COVID-19;
  - iii. Covering coughs and sneezes with a tissue or fabric or, if not possible, into the sleeve or elbow (but not into hands);
  - iv. Wearing a face covering when out in public, consistent with the orders or guidance of the Health Officer; and
  - v. Avoiding all social interaction outside the household when sick with a fever, cough, or other COVID-19 symptoms.

All individuals must strictly comply with Social Distancing Requirements, except to the limited extent necessary to provide care (including childcare, adult or senior care, care to individuals with special needs, and patient care); as necessary to

carry out the work of Essential Businesses, Essential Governmental Functions, or provide for Minimum Basic Operations; or as otherwise expressly provided in this Order. Outdoor Activities, Outdoor Businesses, Additional Activities and Additional Businesses must strictly adhere to these Social Distancing Requirements.

l. “Outdoor Businesses” means:

- i. The following businesses that normally operated primarily outdoors prior to March 16, 2020, and where there is the ability to fully maintain social distancing of at least six feet between all persons:
  1. Businesses primarily operated outdoors, such as wholesale and retail plant nurseries, agricultural operations, and garden centers.
  2. Service providers that primarily provide outdoor services, such as landscaping and gardening services, and environmental site remediation services.

For clarity, “Outdoor Businesses” do not include outdoor restaurants, cafes, or bars, or businesses that promote large, coordinated, and prolonged gatherings, such as outdoor concert venues and amusement parks.

m. “Outdoor Activities” means:

- i. To obtain goods, services, or supplies from, or perform work for, an Outdoor Business.
- ii. To engage in outdoor recreation as permitted in Section 15.a.

n. “Additional Business” means any business, entity, or other organization identified as an Additional Business in Appendix C-1, which will be updated as warranted based on the Health Officer’s ongoing evaluation of the COVID-19 Indicators and other data. In addition to the other requirements in this Order, operation of those Additional Businesses is subject to any conditions and health and safety requirements set forth in Appendix C-1 and in applicable industry-specific guidance issued by the State of California. Appendix C-1 is incorporated into this Order by this reference.

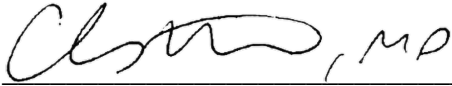

- o. “Additional Activities” means:
    - i. To obtain goods, services, or supplies from, or perform work for, Additional Businesses identified in Appendix C-1, subject to any conditions and health and safety requirements set forth in this Order and any applicable industry-specific guidance issued by the State of California.
    - ii. To engage in activities set forth in Appendix C-2, which will be updated as warranted based on the Health Officer’s ongoing evaluation of the COVID-19 Indicators and other data. Engagement in Additional Activities is subject to applicable conditions and health and safety requirements set forth in this Order and Appendix C-2. Appendix C-2 is incorporated into this Order by this reference.
16. Government agencies and other entities operating shelters and other facilities that house or provide meals or other necessities of life for individuals experiencing homelessness must take appropriate steps to help ensure compliance with Social Distancing Requirements, including adequate provision of hand sanitizer.
