MASEP is administered by the El Cerrito Recreation Department. All concerns about course content, instructors, fees, missed or cancelled classes, etc., should be directed to the El Cerrito Community Center: recreation@ci.el-cerrito.ca.us, (510) 559-7000.

MADERA AFTER SCHOOL ENRICHMENT PROGRAM

MASEP Session 3: Spring 2023

Online Registration begins Wednesday, March 22 at 9am

Classes Begin the week of April 10

Together with your school and parent groups, The El Cerrito Recreation Department coordinates with professional instructors, coaches and organizations to host a variety of classes held conveniently after school on the Madera campus. We strive to offer a program that allows students to discover and develop new passions in academics, visual arts, athletics, engineering, performing arts and more!

1. Online registration and payment of course fees can be completed at www.el-cerrito.org/onlinereg. Registration is only accepted online through the El Cerrito Recreation Department.
2. MASEP inquiries can be directed to the El Cerrito Recreation Department at recreation@ci.el-cerrito.ca.us or (510) 559-7000.
3. Registration will be open for all at the same time and is first come, first served. All classes have varying minimum and maximum enrollment sizes. Classes may be subject to cancellation if minimum enrollment is not fulfilled. You will receive a full refund if a class is cancelled due to low enrollment. A waitlist will be maintained for classes that fill to their maximum enrollment. There is no charge to be added to a class waitlist. If a space becomes available, waitlist families will be contacted by the Recreation Department.
4. During the online registration process, all registrants will be asked to agree to the MASEP Policy Statement and Waiver. Please review these policies carefully, as they contain important information on, check-in and pick-up, materials fees, refunds, inclement weather procedures and more.
5. If applicable, Materials Fees must be paid directly to the MASEP course instructor by the first day of class. Failure to pay materials fees by the 3rd class may result in dismissal from class with no refund of the paid course fee. Your registration receipt will contain information on paying the Materials Fee.
6. Many MASEP classes take place outdoors. **Outdoor classes are subject to cancellation due to inclement weather such as heavy rain or poor air quality.** Families will be notified via email and/or phone call at approximately 12pm on the day of class if classes are cancelled. Every effort will be made to add make-up time for missed class time due to inclement weather. If make-up time is not possible, families will receive a prorated credit on their account. **Families must be prepared with alternate after-school plans if MASEP classes are cancelled.** Please check your email regularly on MASEP class days.
7. COVID-19 protocols will follow school guidelines. Students are required to stay home if exhibiting any signs of illness or fever. If a student did not attend school due to illness, they may not attend their MASEP class. Students who have been exposed to COVID-19 are required to wear face coverings during class.
8. Madera Aftercare students must check-in at the Madera Clubhouse or MPR prior to their MASEP class. City Staff will escort them to their MASEP class. All other students must check in directly with the class instructor at the class location.

MONDAY

Art Explorations: Kai Shen

Grade: K

Let's have fun making 2D and 3D projects! Each week we'll create new projects exploring different media and art forms- watercolor, tempera, collage, printing, modeling clay. Kai has 25 years of experience teaching TK-1st grade. **\$20 Materials Fee due directly to instructor by the first day of class.**

Architecture Fun! Kai Shen

Grades: 1-3

Architecture is a fun way to tie art and math together and learn about the world around us! We'll explore shapes as we learn about different parts of buildings. We'll develop our drawing and observation skills. We'll each design a building and create a town with the rest of the class. We'll learn about structures by building bridges. Kai worked as an architect before switching careers to become an elementary school classroom teacher. **\$20 Materials Fee due directly to instructor by the first day of class.**

TUESDAY

Improv & Theater Games: Geri Engberg

Grades: *2-6

Students will be introduced to basic concepts of comedy improv such as "yes and" (enthusiastically accepting what is offered), "group mind" (listening to each other and working as a team) and "space object work" (miming). Using warm-up exercises and improv "structures," students will be encouraged to trust their instincts, think on their feet and support each other. They will also laugh a lot! This is great class for building confidence and improving listening skills. **Interested first grades can inquire about enrollment by emailing the instructor at geri@geriengberg.com. If approved, please email recreation@ci.el-cerrito.ca.us to enroll.*

Volleyball: Kassirer Sports

Grades: 2-6

Kassirer Volleyball was developed by a former professional athlete and provides players the opportunity to learn quality fundamentals with an emphasis on serving and bumping. Players will enjoy volleyball drills and small scrimmages each week. Coaches tailor practices to each player's ability, and emphasize sportsmanship, communication, technique, and teamwork. They aim to instill that every child can succeed through persistence and practice, and to make sure your kids are socializing and smiling a lot!

WEDNESDAY

Eco Kids: Veronica Medina-Ross

Grade: K

Through environmental science, kindergarteners will learn about taking care of our home, Planet Earth. This program will help students understand their relationship to the environment by engaging them in fun hands-on activities. Art projects and stories will help encourage hands-on investigations about the wonders and characteristics of living and non-living things in our local and global environment. More program information is available at: sites.google.com/view/vmr-funenvironmentalscience/home.

\$17 Materials Fee due by the first day of class. Materials Fee will be used for project and experiment supplies, class worksheets and more.

Textiles with Tracey: Tracey Shababo

Grades: 1-3

This all-levels class is an exploration of fiber and needle arts. Each class will focus on creative hands-on projects that may include felting, sewing, embroidery, weaving, knitting, quilting and more. Students will be encouraged to explore their artistic passion while learning practical and enjoyable craft skills. Students will also be introduced to the ways that a handwork circle can become a supportive community of makers. **\$50 Materials Fee due directly to instructor by the first day of class.** Materials Fee will be used for project supplies including but not limited to fabric, yarn, thread, embroidery floss, ribbon, elastic, dye, etc.

Kassirer Basketball: Kassirer Sports

Grades: 1-6

Kassirer Basketball was developed by a former professional athlete and provides players the opportunity to learn quality fundamentals as well as defensive and offensive tactics. Players will enjoy basketball games and small scrimmages each week. Coaches will group by grade to teach to each player's ability, as well as emphasize sportsmanship, communication, technique, and teamwork. They aim to instill that every child can succeed through persistence and practice, and to make sure your kids are socializing and smiling a lot!

THURSDAY**Super Soccer Stars Classic Skills:** Super Soccer Stars

Grades: 1-3

Players will improve their elementary capacity through fun games, technical skill development and group activities. The focus of this session is to increase spatial awareness and develop team skills in a game environment. Emphasis is placed on working with teammates and building skills that can be easily transferred into future games. Players will enjoy ball activities with high repetitions to promote muscle memory that builds confidence and ball control skills.

Chess: Berkeley Chess School

Grades: 1-6

Immerse yourself in the exciting world of chess! Chess is fun and can be learned quickly and easily. Studies have found that chess helps improve test results in reading, science and math. It also helps with cognitive skills, academia, self-esteem, respect for others, patience and good sportsmanship. The Berkeley Chess School's chess programs are designed for students of all levels, from beginner to advanced. They provide skilled training in chess while making the process fun, with engaging instructors and an eye toward personal growth. Boards and sets are provided for students.

FRIDAY**Machine Sewing with Tracey:** Tracey Shababo

Grades: 4-6

This small group class is an all-levels introduction to machine sewing. Students will learn how to use a pattern, pin a project, and machine sew. We will explore different fabrics and learn about fiber and weave as we create several projects over the semester. **\$50 Materials Fee due directly to instructor by the first day of class.** Materials Fee will be used for project supplies including but not limited to fabric, thread, material, etc.

SCHOLARSHIPS AVAILABLE: The City of El Cerrito's **David Hunter Youth Memorial Scholarship Fund** is available to eligible families seeking financial assistance. This covers a maximum of 75% of course fees, not to exceed \$300 per year, per child. Applications are available online at www.el-cerrito.org/scholarship. Completed applications can be submitted to recreation@ci.el-cerrito.ca.us.
